

ONLINE BANKING AGREEMENT AND DISCLOSURE

This Agreement and disclosure set forth your and our rights and responsibilities concerning the use of our Internet Banking Service. In this Agreement, the word "you" and "your" mean those who sign as applicants or any authorized user(s). The words "we," "us" "our" and "Bank" mean Minnwest Bank. "Transaction" means debits or credits on an account, including withdrawals, deposits, transfers and purchases. "Internet Banking Service" means the services.

OTHER AGREEMENTS

The terms and conditions in this Agreement are in addition to any deposit account agreements you have with us, including signature cards, account terms and conditions, schedules, disclosures, and change of terms notices (the "Deposit Agreements"). ELECTRONIC FUNDS TRANSFER ACT

Some of the transactions permitted through Internet Banking Service may be governed by the Electronic Funds Transfer Act (the "EFTA"), and some of the terms and conditions of this Agreement are disclosures required by the EFTA. Commercial account holders are not covered by the EFTA and therefore certain provisions will not be applied to commercial accounts.

We are not required to obtain the consent of or notify any other joint account holder or you, about the action of the other. However, each of you will only be permitted to access accounts for which you are an owner, joint owner or authorized user.

Each of you individually releases us from liability and agrees not to make a claim or bring any action against us for honoring or allowing any actions or transactions where the person performing the action or transaction is one of you or is otherwise authorized to use your Internet Banking Service. Each of you agrees to indemnify us and hold us harmless from any and all liability (including, but not limited to, reasonable attorney's fees) arising from any such claims or actions.

ACCOUNT BALANCE INFORMATION

Balances may differ from your records due to deposits in process, outstanding checks or other withdrawals, payments or charges. We have the right to cancel transactions if sufficient funds are not available in your account. If a hold has been placed on deposits made to an account from which you wish to transfer funds, you cannot transfer the portion

of the funds held until the hold expires.

BUSINESS DAYS/ HOURS OF OPERATION

Internet Banking Service is generally available twenty-four (24) hours a day, seven (7) days a week, except during maintenance periods or due to an emergency. However, we only process transactions and update information on business days. Our business days are Monday through Friday, except Bank holidays. Any transaction, request or instruction made on a day that is not a business day will be delayed until the next business day.

CUT-OFF TIMES

Transactions initiated through Internet Banking Service before 6:00 p.m. (Central Standard Time) on a business day are posted to your account the same day. This also includes transactions on HELOCs, Consumer real estate, closed-end, open-end line of credit and ready credit. Transactions completed after 6:00 p.m. (Central Standard Time) on a business day, Saturday, Sunday or Bank holiday, will be posted on the next business day. However, for the types of transactions noted below, the following alternative cut-off times apply. Transactions received after the noted cut-off time will be posted the following business day:

Wire transfers: 4:00 p.m.

ACH origination: 4:00 p.m.

Internet Banking Service identifies transactions based upon the User ID of the user who made the electronic transfer. Accordingly, you understand and acknowledge that the Internet Banking Service screens may not reflect transactions made by multiple users from the same account if different User IDs are used. You agree to communicate with any other persons with authorized access to accounts concerning any account transactions in order to avoid overdrafts.

FUNDS TRANSFER/TRANSACTION LIMITATIONS

Your ability to transfer funds between certain accounts may be limited by federal law, as stated in the Deposit Agreements. Transfers from a savings account to another account or to third parties by preauthorized, automatic, computer or telephone transfer, transfers made in person, by messenger, by mail, at an ATM, by check, draft, debit card or similar order to a third party are unlimited. Fund transfers made using both Internet Banking Service and the other transfer methods described in the Deposit Agreements are unlimited.

We reserve the right to limit the frequency and dollar amount of transactions from your accounts for security reasons.

Each transfer made from a demand deposit account that triggers a line of credit is treated as a cash advance from that account and is subject to terms of the Loan Agreements.

Transactional information for your accounts is available for a minimum of thirty (30) days.

We may not immediately receive correspondence sent by you through E-Mail. Therefore, you should not rely on E-Mail if you need to communicate with us immediately. For example, if you need to report an unauthorized transaction, you must contact us immediately. We will not take actions based on E-Mail requests until we actually receive the message and have a reasonable opportunity to act.

If you have access to funds transfer features of the Internet Banking Service, which include loan payments, wire transfer, ACH transfer or the initiation of EFTPS tax payments, we may consider funds transfer requests received from you as having been authorized by you, and we shall be held harmless from executing any such funds transfer request.

You acknowledge that the ACH feature of Internet Banking Service is an alternate entry system for issuing fund transfer requests to the Automated Clearing House network. A separate ACH agreement between you and the Bank is required. This ACH agreement shall govern the acceptance and liability for all ACH transfer requests.

You acknowledge that the wire transfer feature of Internet Banking Service is an alternate entry system for issuing wire transfer orders between you and the Bank. A separate wire transfer agreement between you and the Bank is required. The wire transfer agreement shall govern the acceptance and liability for all wire transfer requests.

You acknowledge that the EFTPS tax payment feature of Internet Banking Service is an alternate entry system for issuing EFTPS tax payment orders between you and the Bank. A separate EFTPS tax payment agreement between you and the Bank is required. The EFTPS tax payment agreement shall govern the acceptance and liability for all EFTPS tax payment requests.

Transfer Now Limits (you will be notified if your limits are different):

Service	Transaction Limit Allowable	Daily Limit Allowable	Outstanding Limit Allowable	Monthly Limit Allowable
Next-Day Outbound	\$5,000.00	\$5,000.00	\$5,000.00	\$10,000.00

STOP PAYMENT REQUESTS

You may initiate stop payment requests online only for paper checks you have written from your account (not electronic transactions, ACH or paper drafts initiated from a bill payment service). Normally, online payment requests made after 6:00 p.m. (Central Standard Time) Monday through Friday, or on a weekend, or holiday, may be processed the next businessday.

If you make your stop payment request online, you will receive a confirmation of your request within 10 days. If this information is NOT correct you will contact us immediately. Otherwise the order will remain in effect for 6 months.

No stop payment request will be deemed received by the Bank until the appropriate Bank employee has read and approved the stop payment request. No stop payment request will be effective against a check that has been paid prior to the time that the Bank both received the order and had a reasonable period of time to respond to the order. If you give us incorrect or incomplete information we are not responsible for failing to stop payment.

You will incur stop payment charges as disclosed in the current fee schedule for the applicable account.

ACCOUNT ALERTS

Alerts are messages sent to you from Minnwest Bank to notify you of account related or system related information. You determine the type of alerts that you want to receive by selecting and configuring each type of alert. You can select to have your alerts sent via email, text message to your wireless device and/or as a message to your online banking account. You are responsible for providing accurate contact information to receive alerts.

You must have email access and/or mobile text messaging capability. You are solely responsible for your choice of wireless carrier, internet or email service provider, web browser, voice/data plan, etc. Data and/or internet service provider fees may apply. Contact your mobile provider for further details. Alerts will not be encrypted, you are responsible to safeguard your mobile device, User ID and password against loss or theft. Minnwest Bank has no responsibility or liability to you or any other person in connection with any such messages you choose to save on your wireless device. If your device is lost or stolen, report it immediately to your wireless provider. This service can be cancelled at any time.

Minnwest Bank will make reasonable efforts to deliver notifications as designed, but does not guarantee delivery. Alerts may be subject to certain lag times or delays in transmission and Minnwest Bank makes no representation concerning either the timeliness or accuracy of any alert. Alerts are provided as a convenience only and should never be considered as an official bank record or as a replacement of periodic statements.

FEES AND CHARGES

Fees payable by you for access to and use of the Internet Banking Service shall be at a rate specified in our fee schedule, which may be amended from time to time. We may change fees upon thirty (30) days prior written notice to you. You authorize us to deduct all applicable fees from any deposit account you have at the Bank. You are responsible for telephone and Internet service fees incurred in connection with using Internet Banking Service.

STATEMENTS

You will not receive a separate Internet Banking Service statement. We will mail or deliver to you periodic statements for your accounts with the regularity provided for in the Deposit, Loan and Additional Agreements. In addition to reflecting your other account activity, the statements will include any transactions authorized using Internet Banking Service.

Inactivity: Your online banking access may be cancelled after 1 year of inactivity. If you do not log into your online banking account at least annually, your online banking account may be deleted. If you are signed up to receive online statements, that service will also be cancelled and your account will revert back to paper statements. There may be fees associated with the delivery of our paper statements and notices, refer to the Minnwest Bank Fee Schedule or contact Minnwest Bank for more information.

USER ID AND PASSWORD

The User ID and password are issued to you for security purposes. You will be required to change your password upon your initial log-in to the Internet Banking Service, and agree to change it regularly thereafter. Upon three unsuccessful attempts to use your password, your access to the Internet Banking Service will be revoked. You must contact us to have your password reset or to obtain a new temporary password. You agree to keep your User IDs and passwords confidential to prevent unauthorized access to your accounts and to prevent unauthorized use of Internet Banking Service. You are responsible for any transactions, including charges or fees, made by another person if you provide User IDs or passwords to another person, even if that person is not an account holder, and that such transactions will be deemed to be "authorized transactions" under the EFTA.

To help safeguard passwords, you should change passwords frequently. You should create a password that uses both upper and lower case alpha and numeric characters for purposes of security. Your passwords should not be associated with any commonly known personal identification, such as social security numbers, addresses, dates of birth, or names of children. For security purposes, you should memorize passwords and not write them down. If you forget a password, you must contact us to have a new temporary password issued. It may take several days before you receive this temporary password.

SECURITY

Your role in preventing misuse of your accounts through the Internet Banking Service is extremely important. You agree to promptly review your periodic statement as soon as you receive it. You agree to protect the confidentiality of your account and account number, and your personal identification information, such as your driver's license number and social security number. You understand that personal identification information by itself, or together with information related to your account, may allow unauthorized access to your account. Your User ID and password are intended to provide security against unauthorized entry and access to your accounts. Do not leave your computer unattended while you are connected to the Internet Banking Service. Data transferred through the Internet Banking Service is encrypted in an effort to provide transmission security. The Internet Banking Service utilizes identification technology to verify that the sender and receiver of transmissions can be appropriately identified by each other. By combining the latest technology with authenticated access to the server, the Bank makes your Internet Banking sessions secure. You must acknowledge, however, that all data transfers, including electronic mail, occur openly on the Internet and could possibly be monitored and read by others. We cannot and do not warrant that all data transfers utilizing the Internet Banking Service, or E-Mail transmitted to and from us, will not be monitored or read by others.

BANK'S RESPONSIBILITIES

We are responsible for completing transactions on time according to your properly entered and transmitted instructions. However, we will not be liable:

- If, through no fault of ours, you do not have sufficient funds in your account.
- If the funds in your account are subject to a dispute, legal process or other encumbrance, restricting such transaction.
- If your account has been closed.
- If the transaction would cause your balance to go over the credit limit of an established line of credit or the credit limit for any credit arrangement set up to cover overdrafts, or if the transaction exceeds the balance in your savings account that has been linked to your checking account for overdraft protection.
- If you have not properly followed software or Internet Banking Service instructions on how to do a transaction.
- If you have not given us complete, correct, and current instructions so that we can complete a transaction.
- If the terminal or system was not working properly and you knew about the problem when you started the transaction.
- If your negligence by sharing or handling of User IDs or passwords results in unauthorized account transactions.
- If circumstances beyond our control (such as fire, flood, interruption in telephone service or other communication lines) prevent the transaction, despite reasonable precautions that we have taken.
- There may be other exceptions to our liability as stated in the Deposit Agreements, Loan Agreements, and Additional Agreements.

NOTICE OF YOUR RIGHTS AND LIABILITIES

Use of the Internet Banking Service requires a PASSWORD. You agree to keep your PASSWORD secret and to notify us immediately if your PASSWORD is lost or stolen or if you believe someone else has discovered your PASSWORD.

We may accept as authentic, any instructions given to us through the use of your PASSWORD. Therefore, you agree that if you give your PASSWORD or allow it to be given to someone else, you are authorizing them to act on your behalf, and we may accept any instructions they give us to make transfers or otherwise use the Internet Banking Service. The Internet Banking Service enables you to change your PASSWORD and we require that you do so regularly.

Tell us AT ONCE if you believe your password has been lost or stolen, used without your authorization, or compromised in any way or, if someone has transferred or may transfer money from your accounts without your permission. Telephoning your bank listed at the end of this agreement during normal business hours is the best way of preventing possible losses.

You could lose all the money in your account (plus your maximum overdraft line of credit, if any). If you tell us within sixty (60) days after you receive a statement that shows any transfers you did not make, you can lose no more than \$50 if someone uses your password without your permission.

Also, if your statement shows transfers that you did not make, tell us at once. If you do not tell us within sixty (60) days after the statement was mailed to you, you may not get back any money you lost after the sixty (60) days if we can prove that we could have stopped someone from taking the money if you had told us in time. If a good reason such as a long trip or hospital stay kept you from telling us, we will extend the time period.

The limitations on customer liability described in this paragraph do not apply to commercial accounts.

CONFIDENTIALITY

The Bank may disclose information to third parties about your accounts. We have entered into an agreement to have another party provide the Internet Banking Service. We will provide this party with information about your accounts, transactions, and e-mailmessages.

We will disclose information to third parties about your accounts or the transactions you make:

- Where it is necessary to complete transactions.
- In order to verify the existence and condition of your account for a third party, such as a credit bureau or merchant.
- In order to comply with government agency or court orders.

- If you give us your written permission.
- As otherwise provided by law.

To protect your privacy, any information received by or processed through an electronic terminal shall be treated and used only in accordance with applicable law. This section does not limit, alter or amend the Bank's information handling practices and Privacy Policy. Please review the Bank's Privacy Policy for further details.

DATA RECORDING

When you contact Internet Banking Service to conduct transactions, the information and E-Mail messages you enter may be recorded. By using Internet Banking Service, you consent to such recording.

IN CASE OF ERRORS OR QUESTIONS ABOUT YOUR ELECTRONIC FUND TRANSFERS

If you think your statement is wrong, or if you need more information about a transaction listed on the statement, please use your bank's contact information as listed at the end of this agreement.

ADDITIONAL ERROR RESOLUTION PROCEDURES FOR NON-COMMERCIAL ACCOUNTS

We must hear from you no later than sixty (60) days after we sent the FIRST statement on which the problem or error appeared.

- Tell us your name and account number.
- Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is in error or why you need more information.
- Tell us the dollar amount of the suspected error.

If you tell us orally, we may require that you send us your complaint or question in writing within ten (10) business days. We will determine whether an error occurred within ten (10) business days after we hear from you and will correct any error promptly. If we need more time, however, we may take up to forty-five (45) days to investigate your complaint or question. If we decide to do this, we will credit your account within ten (10) business days for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or questions in writing and we do not receive it within ten (10) business days, we may not credit your account. If a notice of error involves an electronic fund transfer that occurred within thirty (30) days after the first deposit to the account was made, the error involves a new account. For errors involving new accounts, we may take up to ninety (90) days to investigate your complaint or question. For new accounts, we may take up to twenty (20) business days to credit your account for the amount you think is in error. We will tell you the results within three (3) business days after completing our investigation. If we decide that there was no error, we will send you a written explanation. You may ask for copies of the documents that we used in our investigation.

THE LIMIT OF LIABILITY MAY NOT BE EFFECTIVE IN SOME STATES. IN NO EVENT SHALL THE BANK, ITS OFFICERS, DIRECTORS, EMPLOYEES, AGENTS, OR PROVIDERS BE LIABLE TO YOU FOR ANY LOSSES OR DAMAGES OTHER THAN THE AMOUNT DESCRIBED ABOVE. ALL OTHER DAMAGES, DIRECT OR INDIRECT, SPECIAL, INCIDENTAL, CONSEQUENTIAL OR PUNITIVE, RESULTING FROM ANY USE OF OUR WEBSITE OR MATERIALS ARE EXCLUDED EVEN IF THE BANK, ITS OFFICERS, DIRECTORS, EMPLOYEES, AGENTS, OR PROVIDERS HAVE BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

Notices mailed or delivered to you under this paragraph will be considered effective if mailed to the most recent address we show for you on the account records, sent to the E-Mail address which you authorized to receive such notices and/or disclosures or by posting the required notice on our website. You understand that by using the Internet Banking Service after you have been notified of the change, and after the change becomes effective, you are agreeing to the change.

We do not need to provide you with any prior notice where an immediate change in the terms or conditions of the Agreement is necessary to maintain or restore the security of our system or an account. However, in these cases, if the change is to be made permanent, we will provide you with a notice of the change with the next regularly scheduled periodic statement we send you if practicable, or within thirty (30) days, unless disclosure would jeopardize the security of our system or an account.

Electronic Fund Transfers Initiated By Third Parties. You may authorize a third party to initiate electronic fund transfers between your account and the third party's account. These transfers to make or receive payment may be one-time occurrences or may recur as directed by you. These transfers may use the Automated Clearing House (ACH) or other payments network. Your authorization to the third party to make these transfers can occur in a number of ways. For example, your authorization to convert a check to an electronic fund transfer or to electronically pay a returned check charge can occur when a merchant provides you with notice and you go forward with the transaction (typically, at the point of purchase, a merchant will post a sign and print the notice on a receipt). In all cases, these third party transfers will require you to provide the third party with your account number and bank information. This information can be found on your check as well as on a deposit or withdrawal slip. Thus, you should only provide your bank and account information (whether over the phone, the Internet, or via some other method) to trusted third parties whom you have authorized to initiate these electronic fund transfers. Examples of these transfers include, but are not limited to:

- **Preauthorized credits.** You may make arrangements for certain direct deposits to be accepted into your checking or savings account(s).
- **Preauthorized payments.** You may make arrangements to pay certain recurring bills from your checking or savings account(s). Third party payments processed through the Automated Clearing House (ACH), or similar system, may take up to six business days between set up and the first payment.
- **Electronic check conversion.** You may authorize a merchant or other payee to make a one-time electronic payment from your checking account using information from your check to pay for purchases or pay bills.
- **Electronic returned check charge.** You may authorize a merchant or other payee to initiate an electronic funds transfer to collect a charge in the event a check is returned for insufficient funds. You may make electronic payment of charges for checks returned for insufficient funds from your deposit accounts.

Currency Conversion and Cross-Border Transaction Fees. If you effect a transaction with your Mastercard ATM/Debit Card in a currency other than US Dollars, Mastercard will convert the charge into a US Dollar amount. The Mastercard currency conversion procedure includes use of either a government-mandated exchange rate, or a wholesale exchange rate selected by Mastercard. The exchange rate Mastercard uses will be a rate in effect on the day the transaction is processed. This rate may differ from the rate in effect on the date of purchase or the date the transaction was posted to your account.

Mastercard charges us a Currency Conversion Assessment of 20 basis points (.2% of the transaction) for performing the currency conversion. In addition, Mastercard charges us an Issuer Cross-Border Assessment of 90 basis points (.9% of the transaction) on all cross-border transactions regardless of whether there is a currency conversion. A cross-border transaction is a transaction processed through the Global Clearing Management System or the Mastercard Debit Switch in which the country of the merchant is different than the country of the cardholder.

Advisory Against Illegal Use. You agree not to use your card(s) for illegal gambling or other illegal purpose. Display of a payment card logo by, for example, an online merchant does not necessarily mean that transactions are lawful in all jurisdictions in which the cardholder may be located.

- Transfers or withdrawal from a savings account to another account of yours or to a third party by means of a preauthorized or automatic transfer or telephone order or instruction, computer transfer, or by check, draft, debit card or similar order to a third party, are unlimited.

Health Savings Accounts (HSA). We permit some electronic fund transfers to and/or from your HSA. The electronic fund transfers we permit are offered for the convenience of managing your HSA. However, electronically moving funds to or from your HSA – for example, depositing more than the allowable amount, or getting additional cash back on an HSA debit card transaction – can raise a variety of tax concerns. As a result, before electronically accessing any account you may have with us, it is a good practice to make sure you are using the correct access device (such as a card) or accessing the appropriate account for the transaction. Also, it is your responsibility to ensure the contributions, distributions, and other actions related to your HSA, comply with the law, including federal tax law. As always, we recommend consulting a legal or tax professional if you have any questions about managing your HSA. The terms of this disclosure are intended to work in conjunction with the HSA Agreement provided to you earlier. In the event of a conflict, the terms of the HSA Agreement control. You understand that your HSA is intended to be used for payment of qualified medical expenses. It is your responsibility to satisfy any tax

liability resulting from use of your HSA for any purpose other than payment or reimbursement of qualified medical expenses. We do not monitor the purpose of any transaction to or from your HSA. Nor are we responsible for ensuring your eligibility for making contributions or ensuring withdrawals are used for payment or reimbursement of qualified medical expenses. Refer to your HSA Agreement for more information relating to the use of your HSA.

DOCUMENTATION

- **Terminal transfers.** You can get a receipt at the time you make a transfer to or from your account using an automated teller machine or point-of-sale terminal. However, you may not get a receipt if the amount of the transfer is \$15 or less.
- **Preauthorized credits.** If you have arranged to have direct deposits made to your account at least once every 60 days from the same person or company, you can call us at 507-637-5731 to find out whether or not the deposit has been made.
- **Periodic statements.** You will get a monthly account statement from us for your checking accounts. You will get a monthly account statement from us for your savings accounts, unless there are no transfers in a particular month. In any case, you will get a statement at least quarterly.

PREAUTHORIZED PAYMENTS

- **Right to stop payment and procedure for doing so.** If you have told us in advance to make regular payments out of your account, you can stop any of these payments. Here is how:
Call or write us at the telephone number or address listed in this disclosure in time for us to receive your request 3 business days or more before the payment is scheduled to be made. If you call, we may also require you to put your request in writing and get it to us within 14 days after you call.
We will charge you \$35.00 for each stop-payment order you give.
- **Notice of varying amounts.** If these regular payments may vary in amount, the person you are going to pay will tell you, 10 days before each payment, when it will be made and how much it will be. FINANCIAL INSTITUTION'S LIABILITY

Liability for failure to make transfers. If we do not complete a transfer to or from your account on time or in the correct amount according to our agreement with you, we will be liable for your losses or damages. However, there are some exceptions.

We will not be liable, for instance:

- (1) If, through no fault of ours, you do not have enough money in your account to make the transfer.
- (2) If you have an overdraft line and the transfer would go over the credit limit.
- (3) If the automated teller machine where you are making the transfer does not have enough cash.
- (4) If the terminal or system was not working properly and you knew about the breakdown when you started the transfer.
- (5) If circumstances beyond our control (such as fire or flood) prevent the transfer, despite reasonable precautions that we have taken.
- (6) There may be other exceptions stated in our agreement with you.

CONFIDENTIALITY

We will disclose information to third parties about your account or the transfers you make:

- (1) where it is necessary for completing transfers; or
- (2) in order to verify the existence and condition of your account for a third party, such as a credit bureau or merchant; or
- (3) in order to comply with government agency or court orders; or
- (4) if you give us written permission.

UNAUTHORIZED TRANSFERS

(a) Consumer liability. Generally. Tell us at once if you believe your card and/or code has been lost or stolen, or if you believe that an electronic fund transfer has been made without your permission using information from your check.

Telephoning is the best way of keeping your possible losses down. You could lose all of the money in your account (plus your maximum overdraft line of credit). We will be liable for all unauthorized transfers unless the

unauthorized transfer was due to the loss or theft of your card and/or code. If due to the loss or theft of your card and/or code, and you notify us within 60 days of when the unauthorized transfer appears on the statement you can lose no more than \$50 if someone used your card and/or code without permission.

If you do **NOT** notify us within 60 days after the unauthorized transfer appears on your statement, and we prove that we could have stopped someone from using your card and/or code without your permission if you had told us within 2 days of when you discover the loss or theft of your card and/or code, you could lose as much as \$500 for unauthorized transfers that appear on the statement.

Also, if your statement shows transfers that you did not make, including those made by card, code or other means, tell us at once. If you do not tell us within 60 days after the statement was mailed to you, you may not get back any money you lost after the 60 days if we prove that we could have stopped someone from taking the money if you had told us in time.

If a good reason (such as a long trip or a hospital stay) kept you from telling us, we will extend the time periods.

• *Additional Limits on Liability for Mastercard ATM/Debit Card.* You will not be liable for any unauthorized transactions using your Mastercard ATM/Debit Card if: (i) you can demonstrate that you have exercised reasonable care in safeguarding your card from the risk of loss or theft, and (ii) upon becoming aware of a loss or theft, you promptly report the loss or theft to us. Mastercard is a registered trademark, and the circles design is a trademark of Mastercard International Incorporated.

• See additional information on the Minnwest Bank Card Agreement. The Minnwest Bank Card Agreement will be mailed to you with the new card.

(b) Contact in event of unauthorized transfer. If you believe your card and/or code has been lost or stolen, call or write us at the telephone number or address listed in this disclosure. You should also call the number or write to the address listed in this disclosure if you believe a transfer has been made using the information from your check without your permission.

RIGHT TO BRING CIVIL ACTION

You may bring a civil action against any person violating any provision of Minnesota Statutes § 47.69 (governing consumer privacy and unauthorized withdrawals).

If you prevail in such an action, you may recover the greater of your actual damages or \$500. You may also be entitled to recover punitive damages, your court costs and reasonable attorney's fees.

TIME NEEDED TO COMPLETE TERMINAL TRANSACTIONS

- Withdrawals made at a terminal will normally be completed and charged to your account on the same business day, if the transaction occurs before 6:00 pm Central Time Monday - Friday.
- Transfers between accounts will normally be completed on the same business day, if the transaction occurs before 6:00 pm Central Time Monday - Friday.

POINT-OF-SALE TRANSACTIONS

Payment for goods or services made in this manner shall not affect any of the rights, protections, or liabilities in existing law concerning a cash or credit sale made by means other than through the use of a terminal.

You cannot reverse a point-of-sale transaction.

ERROR RESOLUTION NOTICE

In Case of Errors or Questions About Your Electronic Transfers, Call or Write us at the telephone number or address listed in this disclosure, as soon as you can, if you think your statement or receipt is wrong or if you need more information about a transfer listed on the statement or receipt. We must hear from you no later than 60 days after we sent the FIRST statement on which the problem or error appeared.

- (1) Tell us your name and account number (if any).
- (2) Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information.
- (3) Tell us the dollar amount of the suspected error.

If you tell us orally, we may require that you send us your complaint or question in writing within 10 business days.

We will determine whether an error occurred within 10 business days (20 business days if the transfer involved a new account) after we hear from you and will correct any error promptly. If we need more time, however, we may take up to 45 days (90 days if the transfer involved a new account, a point-of-sale transaction, or a foreign-initiated transfer) to investigate your complaint or question. If we decide to do this, we will credit your account within 10 business days (20 business days if the transfer involved a new account) for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within 10 business days, we may not credit your account. Your account is considered a new account for the first 30 days after the first deposit is made, unless each of you already has an established account with us before this account is opened.

We will tell you the results within three business days after completing our investigation. If we decide that there was no error, we will send you a written explanation.

You may ask for copies of the documents that we used in our investigation.

This Agreement applies to your use of the Account to Account Transfer Service and the portion of the Site through which the Account to Account Transfer Service is offered.

2. Description of Account to Account Transfer Service. The Account to Account transfer service (the "Account to Account Transfer Service") enables you to transfer funds between your Account(s) that you maintain with us on the one hand, and your Account(s) that are maintained by other financial institutions, on the other hand.

3. Definitions.

- a. "Account" means a checking, money market or savings account that is either an Eligible Transaction Account or External Account, as applicable.
- b. "ACH Network" means the funds transfer system, governed by the NACHA Rules, that provides funds transfer services to participating financial institutions.
- c. "Affiliates" are companies related by common ownership or control.
- d. "Business Day" is every Monday through Friday, excluding Federal Reserve holidays or other days that banks are legally closed.
- e. "Eligible Transaction Account" is a transaction account from which your transfers will be debited, your Account to Account Transfer Service fees, if any, will be automatically debited, or to which transfers and credits to you will be credited, that is eligible for the Account to Account Transfer Service. An Eligible Transaction Account shall be limited to a checking, money market or savings account that you hold with us.
- f. "External Account" is your account at another financial institution (i) to which you are transferring funds from your Eligible Transaction Account; or (ii) from which you are transferring funds to your Eligible Transaction Account.
- g. "Payment Network" means a debit or credit network (such as the ACH Network or ACCEL / Exchange payment network) through which funds may be transferred.
- h. "Service Provider" means companies that we have engaged (and their Affiliates) to render some or all of the Account to Account Transfer Service to you on our behalf.
- i. "Transfer Instruction" is a specific information provided for a transfer to be made that you provide to the Account to Account Transfer Service for a transfer of funds.

4. Service Providers. We are offering you the Account to Account Transfer Service through one or more Service Providers that we have engaged to render some or all of the Account to Account Transfer Service to you on our behalf. However, notwithstanding that we have engaged such a Service Provider to render some or all of the Account to Account Transfer Service to you, we are the sole party liable to you for any payments or transfers conducted using the Account to Account Transfer Service and we are solely responsible to you and any third party to the extent any liability attaches in connection with the Account to Account Transfer Service. You agree that we have the right under this Agreement to delegate to Service Providers all of the rights and performance obligations that we have under this Agreement, and that the Service Providers will be third party beneficiaries of this Agreement and will be entitled to all the rights and protections that this Agreement provides to us.

5. Authorization and Processing.

- a. You represent and warrant that you are either the sole owner or a joint owner of the Eligible Transaction Account and the

External Account and that you have all necessary legal right, power and authority to transfer funds between the Eligible Transaction Account and the External Account. If you are a joint owner of the Eligible Transaction Account, External Account, or both, then you represent and warrant that (i) you have been authorized by all of the other joint owners to operate such Accounts without their consent (including without limitation to withdraw or deposit any amount of funds to such Accounts or to even withdraw all funds from such Accounts); and (ii) we may act on your instructions regarding such Accounts without liability to such other joint owners. Further, you represent and warrant that the External Account is located in the United States.

- b. When we receive a Transfer Instruction from you, you authorize us to (i) debit your Eligible Transaction Account and remit funds on your behalf to the External Account designated by you and to debit your applicable Account as described below in Section 9 (Account to Account Transfer Service Fees and Additional Charges); or, as applicable, to (ii) credit your Eligible Transaction Account and remit funds on your behalf from the External Account designated by you and to debit your applicable Account as described below in Section 9 (Account to Account Transfer Service Fees and Additional Charges). You also authorize us to reverse a transfer from the applicable Account if the debit is returned from the other Account in the transaction for any reason, including but not limited to nonsufficient funds.
- c. We will use reasonable efforts to make all your transfers properly. However, we shall incur no liability if we are unable to complete any transfers initiated by you because of the existence of any one or more of the following circumstances:
 1. If, through no fault of ours, the Eligible Transaction Account or External Account does not contain sufficient funds to complete the transfer or the transfer would exceed the credit limit of your overdraft account;
 2. The Account to Account Transfer Service is not working properly and you know or have been advised by us about the malfunction before you execute the transaction;
 3. The transfer is refused as described in Section 10 (Refused Transfers) below;
 4. You have not provided us with the correct information, including but not limited to the correct Eligible Transaction Account or External Account information; and/or,
 5. Circumstances beyond our control (such as, but not limited to, fire, flood, network or system down time, issues with the financial institution(s), or interference from an outside force) prevent the proper execution of the transfer and we have taken reasonable precautions to avoid those circumstances.
- d. It is your responsibility to ensure the accuracy of any information that you enter into the Account to Account Transfer Service, and for informing us as soon as possible if you become aware that this information is inaccurate. You may not use a P.O. Box as a postal address. We will make a reasonable effort to stop or recover a transfer made to the wrong Account once informed, but we do not guarantee such recovery and will bear no responsibility or liability for damages resulting from incorrect information entered by you.

6. Transfer Methods and Amounts. There are limits on the amount of money you can send or receive through our Account to Account Transfer Service. Your limits may be adjusted from time-to-time in our sole discretion. You may have the ability to log in to the Site to view your individual transaction limits. We or our Service Provider also reserve the right to select the method in which to remit funds on your behalf through the Account to Account Transfer Service, and in the event that your Eligible Transaction Account is closed or otherwise unavailable to us the method to return funds to you.

7. Transfer Cancellation Requests. You may cancel a transfer at any time until it begins processing (as shown in the Account to Account Transfer Service). We will, to the extent permitted by law, make reasonable attempts to return any unclaimed, refused, refunded, prohibited, or denied transfer to your Account that we debited for the funds transfer. If this is unsuccessful (for example, the Eligible Transaction Account has been closed) we will make reasonable attempts to otherwise return the funds to you.

8. Stop Transfer Requests. If you desire to stop any transfer that has already been processed, you must contact customer care for the Account to Account Transfer Service pursuant to Section 26 (Errors, Questions, and Complaints). Although we will make a reasonable effort to accommodate your request, we will have no liability for failing to do so. We may also require you to present your request in writing within fourteen (14) days. The charge for each request will be the current charge for such service as set out in the applicable fee schedule.

9. Account to Account Transfer Service Fees and Additional Charges. You are responsible for paying all fees associated with your use of the Account to Account Transfer Service. Applicable fees will be disclosed in the user interface for, or elsewhere within, the Account to Account Transfer Service or Site. Any applicable fees will be charged regardless of whether the Account to Account Transfer Service was used, except for fees that are specifically use-based. Use-based fees for the Account to Account Transfer Service will be charged against the Account that is debited for the funds transfer. There may also be charges for additional transactions and other optional services. You agree to pay such charges and authorize us to deduct the calculated amount from the applicable Eligible Transaction Account you hold with us or the Account that is debited for the funds transfer, depending on how such charges are described in the user interface for the Account to Account Transfer Service. Any financial fees associated with your standard deposit accounts will continue to apply. You are responsible for any and all telephone access

fees and Internet service fees that may be assessed by your telephone and Internet service provider. Section 22 (Failed Or Returned Transfer Instructions) applies if you do not pay our fees and charges for the Account to Account Transfer Service, including without limitation if we debit the External Account for such fees, as described in this Section, and there are insufficient fees in the External Account; Section 22 (Failed Or Returned Transfer Instructions) should be interpreted as applying to the External Account, not just the Eligible Transaction Account, in such circumstances.

10. Refused Transfers. We reserve the right to refuse any transfer. As required by applicable law, we will notify you promptly if we decide to refuse to transfer funds.

11. Returned Transfers. In using the Account to Account Transfer Service, you understand transfers may be returned for various reasons such as, but not limited to, the External Account number is not valid. We will use reasonable efforts to research and correct the transfer to the intended Account or void the transfer and credit your Account from which you attempted to transfer funds. You may receive notification from us.

All notices by any of these methods shall be deemed received by you no later than twenty-four (24) hours after they are sent or posted, except for notice by postal mail, which shall be deemed received by you no later than three (3) Business Days after it is mailed. You may request a paper copy of any legally required disclosures and you may terminate your consent to receive required disclosures through electronic communications by contacting us as described in Section 12 (Notices to Us Regarding the Account to Account Transfer Service) above. We reserve the right to charge you a reasonable fee not to exceed twenty dollars (\$20.00) to respond to each such request. We reserve the right to terminate your use of the Account to Account Transfer Service if you withdraw your consent to receive electronic communications.

14. Text Messages, Calls and/or Emails to You. By providing us with a telephone number (including a wireless/cellular, mobile telephone number and/or email address), you consent to receiving calls from us and our Service Providers at that number INCLUDING THOSE MADE BY USE OF AN AUTOMATIC TELEPHONE DIALING SYSTEM ("ATDS"), and/or emails from us for our everyday business purposes (including identity verification). You acknowledge and agree that such telephone calls include, but are not limited to, live telephone calls, prerecorded or artificial voice message calls, text messages, and calls made by an ATDS from us or our affiliates and agents. Please review our Privacy Policy for more information.

15. Receipts and Transaction History. You may view your transaction history by logging into the Account to Account Transfer Service and looking at your transaction history. You agree to review your transactions by this method instead of receiving receipts by mail.

If you receive information about another person through the Account to Account Transfer Service, you agree to keep the information confidential and only use it in connection with the Account to Account Transfer Service.

17. Eligibility. The Account to Account Transfer Service is offered only to individual residents of the United States who can form legally binding contracts under applicable law. Without limiting the foregoing, the Account to Account Transfer Service is not offered to minors unless the minor is using an Eligible Transaction Account in the name of the minor with a parent or guardian as a co-signor or guarantor. By using the Account to Account Transfer Service, you represent that you meet these requirements and that you agree to be bound by this Agreement.

18. Prohibited Transfers. The following types of transfers are prohibited through the Account to Account Transfer Service, and we have the right but not the obligation to monitor for, block, cancel and/or reverse such transfers:
